Dear Mr. Kristensen

This is in response to your 27 September 2007 (FAS FOIA 07-028) Freedom of Information Act request for a chronology and/or overview of all ACC Bent Spear and Dull Sword incidents since June 1992, including date, location, and description. The Dull Sword information is releasable and attached. A search of the ACC Safety's database found no information pertaining to Bent Spear incidents; therefore, we have "no records".

If you interpret our "no records" response as an adverse action, you may appeal this decision by writing to the Secretary of the Air Force within 60 days from the date of this letter. If no appeal is received, or if the appeal is postmarked after the conclusion of this 60-day period, the appeal may be considered closed. Include your reasons for reconsideration along with a copy of this letter.  
Mail to:

Secretary of the Air Force  
Thru: HQ ACC/A6XP (FOIA)
